VVEC held its 80th annual meeting on Saturday, October 13th at the Robson Performing Arts Center in Claremore. After registering their attendance at the meeting, members enjoyed free donuts, coffee, hot dogs, chips and soft drinks. The crowd was entertained by local country singer and song-writer, Paul Bogart. Registration gifts were an ice cream scoop and VVEC caps. Kenny Sparks, director of legislative and regulatory affairs for the Oklahoma Association of Electric Cooperatives was the featured speaker. No business could be conducted due to a lack of quorum. Trustee John Hibdon conducted the popular prize drawings before concluding the meeting.

## WHAT TO DO IF YOUR POWER GOES OFF

**2. Call the Co-op at 371-2584, or 1-800-870-5948. Have your account number, name as it appears on the account, and address handy to give to the dispatcher. If you should get a recording, leave your information; every message will be answered. Or, download the SmartHub app to report outages from your smartphone.**

# VVEC TO SPONSOR STUDENT OPPORTUNITIES IN 2019

More than a utility provider, VVEC is a local company that cares about its members and the communities it serves. That is why we sponsor opportunities each year for the benefit of local students. In 2019, VVEC will sponsor scholarships for several students to attend YouthPower Energy Camp and Washington Youth Tour.

## YouthPower Energy Camp

Each year, eighth-graders from across Oklahoma are chosen to attend the YouthPower Energy Camp, a leadership development camp held at Canyon Camp in Hinton, Oklahoma.

During the four-day experience, chaperones from Oklahoma's electric cooperatives teach students about leadership, community development, electrical safety and the importance of rural electrification in their community.

Participants learn about electric cooperatives as they tour a generation and transmission cooperative, climb a utility pole and ride in a bucket truck. Friendships are formed as students take part in fun activities including swimming, hiking, and volleyball tournaments.

*In 2018, VVEC sent Madison Watson and Rhett Gomez on an all-expenses-paid Youth Tour experience to Washington, D.C. Photo courtesy of OAE*

YouthPower Energy Camp will be held May 28-31, 2019. See sidebar for application details.

## Washington Youth Tour

Two high school juniors have the opportunity to represent VVEC as delegates on the annual, all-expense-paid Youth Tour to Washington, D.C.

Students will join other delegates from Oklahoma and across the U.S. at the nation's capital as they learn about electric cooperatives, experience American history, witness the government in action, meet elected officials, and more.

Youth Tour will take place June 14-20, 2019. Applicants will write an essay. See sidebar for application details. VVEC will select two essay winners. The co-op will also select two runners-up: one \$750 scholarship winner and one \$500 scholarship winner.

## VVEC IS LOOKING FOR LOST MEMBERS – CURRENT ADDRESSES NEEDED

From time to time members move out of VVEC's service territory or pass away. But Capital Credits still have to be allocated for the energy used while members had active service. Sometimes VVEC's last known address is not correct and the capital credit checks that are sent out come back to the cooperative. We need your help to find these former members. If you find your name or someone you know on the list, please contact us at 918-371-2584 and give us an updated address.
