## IN CELEBRATION OF LINEMAN APPRECIATION DAY

VVEC linemen. Photo by Randy Riddle

## THIS APRIL 18TH, #THANKALINEMAN

Every April, we take time to thank our extraordinary linemen who dedicate their lives to keeping the lights on in our local communities. Verdigris Valley linemen maintain more than 4,700 miles of line in VVEC's service territory, and without them, our world would be dark.

We depend on our entire staff to keep VVEC running smoothly, but on April 18th, National Lineman Appreciation Day, we honor all linemen who often find themselves in dangerous and challenging situations, so our lives may be a little bit brighter and safer every day. These brave men and women repair damaged lines and maintain critical infrastructure for our communities. Without their hard work and commitment to the job, our co-op would not thrive. No matter the time—day or night, weekday or weekend—if the lights go out, so do they.

Perhaps you have seen them raising their bucket trucks in howling winds and torrential rains, or in freezing, icy conditions. They work around the clock near high-voltage power lines until electricity is restored to every member in our co-op community.

In addition to aiding members in our local service territory, linemen are always willing and eager to volunteer when a neighboring community, county or state is in need after a major outage occurs.

Our linemen are brave, committed and critical to our success. We hope you will join us in thanking the many linemen—both locally and around the world—that light our lives. Remember, your power works because they do! Use #ThankALineman on social media to show your support. ■

## VVEC BOARD OF TRUSTEES

### District 1

Jim Brackett, 720-4531

### District 2

Jack Bogart, 371-9587

### District 3

Vernon Lewis, 521-5461

### District 4

John Hibdon, 847-2320

### District 5

Jimmy Lambert, 760-7029

### District 6

Dennis Lenox, 289-5961

### District 7

Charles Huerter, 333-3107

### District 8

Ken Howard, 724-9965

### District 9

Buddy McCarty, 272-5134  
or 272-5364

### Power Circuit Editor

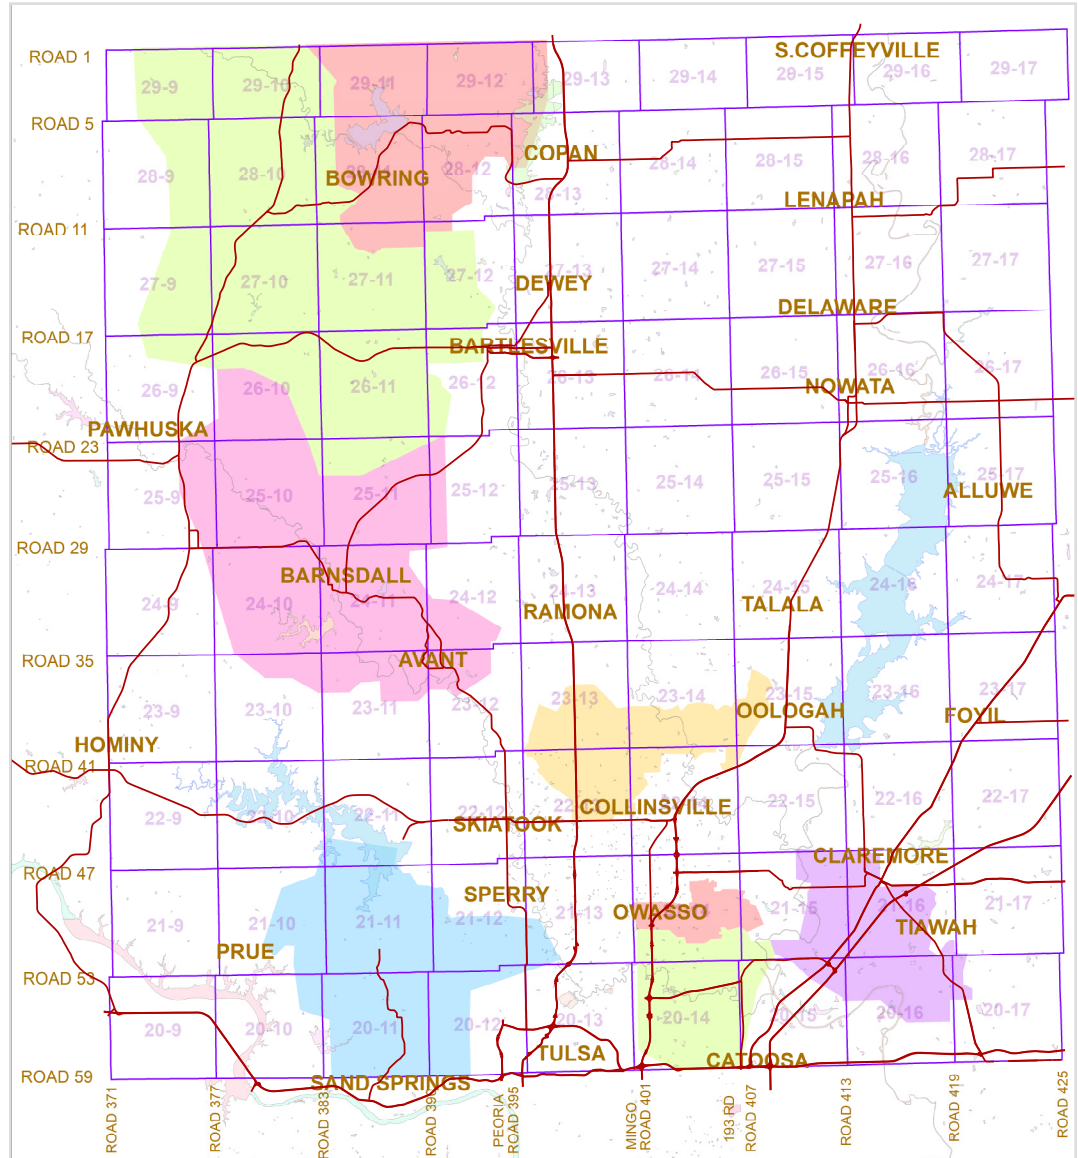

Laura Araujo

Power Circuit is published monthly by Verdigris Valley Electric Cooperative, Collinsville, Oklahoma (ISSN 10884378) for its members in Tulsa, Rogers, Washington, Nowata and Osage counties. Periodical postage paid at Tulsa, Oklahoma and other additional mailing offices. Subscription price is \$0.19 per month.

POSTMASTER - send address changes to Power Circuit, P.O. Box 219, Collinsville, OK 74021.

COMING SOON

## RIGHT-OF-WAY MAINTENANCE SCHEDULED FOR SUMMER 2019

This summer, right-of-way spraying will be performed in VVEC's service territory. The spraying will take place in the areas shaded on the map above. Contract crews with Progressive Solutions will spray near the Dome, Hulah and Tallant substations. APEX will spray near the Elmcreek, Green, Owasso, Vera, and Verdigris substations. The crews will walk the right of ways with 4-gallon backpack sprayers and low volume spray targeted to trees and brush. The spray is never broadcast with heavy equipment or high volume sprayers. The herbicide is EPA approved and safe for humans, pets, livestock, wildlife and fish. Maintaining a clear right-of-way, the area beneath and around power lines, is important to ensure there's an operational safety zone between power lines and any trees or vegetation making the area accessible in case a line crew needs to perform repairs or maintenance. ■

## CAPITAL CREDIT REFUNDS

# VVEC IS LOOKING FOR LOST MEMBERS: CURRENT ADDRESSES NEEDED

From time to time members move out of VVEC's service territory or pass away. But Capital Credits still have to be allocated for the energy used while members had active service. Sometimes VVEC's last known address is not correct and the capital credit checks that are sent out come back to the cooperative. We need your help to find these former members. If you see a name on the list that you recognize and you have information about a current address, please contact us at 918-371-2584. ■

## OFFICE CLOSED NOTICE

VVEC offices will be closed Friday, April 19th, in observance of Good Friday.

## IN CASE OF AN OUTAGE

- First, check your fuses or circuit breakers. Every service is different. You may have fuses or circuit breakers in your house, on the side of your house, under your meter, or all three places. Check to see if your neighbors have electricity.

- Then, call the Co-op at 371-2584, or 1-800-870-5948. Have your account number, name as it appears on the account, and address handy to give to the dispatcher. If you should get a recording, leave your information; every message will be answered. Or, download the SmartHub app to report outages from your smartphone.

## WINTER RESIDENTIAL RATES

October through March usage, November through April billing

**Customer Charge** | \$30.00  
**Energy Charge** | \$.07772/kWh

A power cost adjustment (PCA) will be applied to all bills when the actual cost of power purchased exceeds or is less than 59.87 mills per kWh.

In addition, a gross receipts tax of 2 percent of revenue will be included, plus additional taxes if applicable.

*This institution is an equal opportunity provider & employer.*
