

VVEC RELEASES 2019 ADOPT-A-SCHOOL AND RURAL FIRE DEPARTMENT GRANT APPLICATIONS

The New Alluwe Volunteer Fire Department and First Responder was one of 11 fire departments to receive a grant from VVEC in 2018. Left to right: Chub Brewer, Selena Gipson, Tommy Gipson and Rocky Seals, Sr. Photo by Misti Frazier

As an electric cooperative, VVEC's primary objective is to provide safe, reliable and affordable electricity to our members. However, we are also a concerned partner in the development of the local community. One of the ways VVEC demonstrates our concern for the community is by offering grants to schools and rural fire departments in our service territory.

Each year teachers, school administrators and fire department personnel are invited to submit an application for funds through VVEC's Adopt-A-School and Rural Fire Department grant programs. Applicants are asked to explain how they will use the funds to improve the classroom experience for students or to help protect residents' lives and property from fire damage.

"The grant has helped out classrooms quite a bit," VVEC Member Services Representative Chub Brewer says. "It allows schools to fund something that's not in their budget to en-

hance the students' learning experience."

Likewise, fire departments purchase tools and equipment they might not otherwise be able to afford. In turn, these purchases help improve the safety of the members of the community.

Grant applications are available on VVEC's website: www.vvec.com, under the "Community Programs" tab. Applications should be sent to program coordinator Misti Frazier at P.O. Box 219, Collinsville, OK 74021. **This year's application deadline is Friday, April 12th at 4 p.m.**

Anyone with questions or those who need an application mailed to them can contact Frazier by calling 918-371-2584, ext. 6226 or by emailing her at mfrazier@vvec.com. Office hours are 7:30 a.m. to 4 p.m., Monday through Friday.

"It's a great program. We're able to help and give back to the community. That's what we try to do," Brewer says.

Has your status changed?

If you recently tied the knot, got divorced or were widowed, please call us so we can update your account. We need up-to-date, accurate information for your capital credit account, but also to make it easy for you to conduct business with us. Federal legislation enacted after Sept. 11, 2001, prevents us from discussing an account with anyone not listed on it. If you have been widowed, your account will be placed in your name, but we need you to update your application. If your parents or another family member were VVEC members and have passed away, we need to be aware of that because we cannot have an account in the name of a deceased person. We will be glad to work with you on updating your account. Please call our consumer service representatives at 918-371-2584.

WINTER RESIDENTIAL RATES

October through March usage,
November through April billing

Customer Charge | \$30.00

Energy Charge | \$.07772/kWh

A power cost adjustment (PCA) will be applied to all bills when the actual cost of power purchased exceeds or is less than 59.87 mills per kWh.

In addition, a gross receipts tax of 2 percent of revenue will be included, plus additional taxes if applicable.

This institution is an equal opportunity provider and employer.

ELIMINATE FLUCTUATING ELECTRIC BILLS WITH THE AMP PLAN

If your electric bill fluctuates from month to month, you might want to try the Average Monthly Payment Plan. The AMP Plan is available to VVEC members who meet all the following criteria:

- Have been a VVEC member for at least 12 months;
- Have not been late in paying the electric bill more than twice during the previous 12 months;
- The electric bill is currently paid in full.

Your average monthly payment is figured by taking your current month's usage plus the preceding 11 months' usage and dividing them by 12. This total is then figured into the applicable rate along with any taxes and plus or minus one-twelfth of your balance forward.

The average is recalculated every month in the same manner.

If you are interested in participating in the AMP Plan or have any questions, please call our Consumer Services Department at 918-371-2584, Monday through Friday, 7:30 a.m. to 4 p.m.

Follow Verdigris Valley Electric Cooperative on Facebook for outage updates

Download the SmartHub app to report outages from your smartphone

WHAT TO DO IF YOUR POWER GOES OFF

1. Check your fuses or circuit breakers. Every service is different. You may have fuses or circuit breakers in your house, on the side of your house, under your meter, or all three places. Check to see if your neighbors have electricity.

2. Call the Co-op at 371-2584, or 1-800-870-5948. Have your account number, name as it appears on the account, and address handy to give to the dispatcher. If you should get a recording, leave your information; every message will be answered. Or, download the SmartHub app to report outages from your smartphone.

Power Circuit is published monthly by Verdigris Valley Electric Cooperative, Collinsville, Oklahoma (ISSN 10884378) for its members in Tulsa, Rogers, Washington, Nowata and Osage counties. Periodical postage paid at Tulsa, Oklahoma and other additional mailing offices. Subscription price is \$0.19 per month.

POSTMASTER - send address changes to Power Circuit, P.O. Box 219, Collinsville, OK 74021.

VVEC IS LOOKING FOR LOST MEMBERS – CURRENT ADDRESSES NEEDED

From time to time members move out of VVEC's service territory or pass away. But Capital Credits still have to be allocated for the energy used while members had active service. Sometimes VVEC's last known address is not correct and the capital credit checks that are sent out come back to the cooperative. We need your help to find these former members. If you see a name on the list that you recognize and you have information about a current address, please contact us at 918-371-2584.
